## Council 4442 Knightly News

### From the Desk of the Grand Knight:

Brothers,

Springtime greetings to all! As I write this, the sun is bright and the temperature is "just right." The winter season has passed. From Ecclesiastes 3:1, "*To every thing there is a season, and a time to every purpose under the heaven.*" In this past year, I have gone through the seasons, a time to die and a time to give birth; a time for sorrow and a time for rejoicing.

In January of 2015, my wife Peggy died of cancer; we had 40 years together as man and wife. Just yesterday, our younger daughter Michelle gave birth to a beautiful son, her first child and my third grandchild. I, like many of you, probably often feel as if on a wild roller-coaster of emotions as the days pass.

As Father Tom said in his meeting talk tonight, "Do not be afraid" and "Trust in the Lord, for he loves each of us; he counts every hair on our head..." I will never know the mind of God and will never be able to answer the question of "Why?" to life's tragedies.

"Can any one of you by worrying add a single hour to your life? (Matthew 6:27). I guess the best I can do is to Trust in the Lord, take each day one at a time, and make the most of it, seeking God's will for me.

There are opportunities for each of us coming up, a time to lend a hand and volunteer in our Knight's events. This newsletter points out many of them; here are just a few:

- Sign up for the Tootsie Roll drive; only two hours of your time is needed, and it will be two hours well spent!
- We will be holding council officer elections in June. Is it time for you to come forward and take a more active part in running our council?
- You can help support our veterans with Rico Casaletto's "White Clover Drive"
- And there is the "Relay for Life."

Become involved! Make a difference! Help out today!

Vivat Jesus!  
Paul St.Amand

## Council Meeting Notes from April 13

### UNOFFICIAL

(Taken from notes of the worthy recorder, Mike Banks.)

7:30PM GK Paul St.Amand opened the meeting on time. The meeting was attended by 37 people and concluded at 8:54PM. Roll call of officers: All present except Advocate (Excused), Warden (excused), Inside Guard (MIA) March minutes – change to ending balance – corrected ending balance as per Treasurer. – Motion to accept adjusted minutes was passed.

### Chaplain's Message

7:35PM Who is [Tarzan Brown](#)? Native American, who won the Boston Marathon. His livelihood was stone masonry, and shell fishing. But work was hard to come by during this period of depression. In 1939, he borrowed \$1.00 to get into the marathon, and went on to set a record for fastest runner. It was also noted that another year he ran barefoot, as he didn't have running shoes. His home was built with debris from the dump. But he had nothing, yet was happy. The Pope sees this as he travels through third-world countries. You do not need possessions to be happy.

Jesus tells us not to worry about our life, what to eat, what to wear, life is more than food. Look at the birds of the sky, they don't sew or reap, yet your father feeds them. Are you not more important than they, can any of you by worrying add a single moment to your life? Do not worry and say "what are we to drink, eat, wear" these are things that pagans are saying/seeking. Your heavenly Father knows what you need, seek first the kingdom of God and his righteousness, and all these other things will be added unto you besides, so do not worry. We need to do what Jesus tells us to do.

### BILLS AND COMMUNICATIONS: GK Paul St.Amand

- Special Olympics of NH for our support of the Penguin Plunge.

- All the folks who helped setting up the chairs in School Gym for the Easter Mass and those folks who got pot at MQP. (see article below. - ed)

*A statement from a Pregnancy Center on the value of these ultrasound machines: (from email to Ron B.)*

*We have been providing ultrasound for our clients for the past 10 years and have found that it is so powerful as they are making life and death decisions about their pregnancy. Actually seeing the baby that is growing in their womb reaches many who had thought abortion was their best option before the scan.*

*Linda Barry, Executive Director, Carenet Pregnancy Care Center of Nashua*

Decision by GK to keep it covered – Gene Bryant spoke and will reach out to contacts and report to GK. Boat needs brakes, and lights inspected. Wood is rotted in places – unsafe. KofC Nashua interested in using for Memorial Day, May 30. If there is no volunteer to head up a float-repair work party, then our Santa Maria will remain in mothballs and not be used, not even for our own Salem Christmas Parade.

Is our boat sunk?

## In the past months... and in future months...

### Easter set up in the gym:

A round of applause for the volunteers who worked to prepare the churches for Easter services. At StJoe Church, six workers (George Masciarelli, Norm Comeau, Jay Cappello, Charlie Walsh, Don Simmons, and Paul St.Amand) set up seating for 720. It took us under two hours. And one of us got pizza (thanks to the church decoration committee).

At MQP Church, four members (Alan Phair, George Masciarelli, Bruce Silver, and Paul St.Amand) helped the church ladies by carrying and placing over seventy potted palm trees and adorning the outside cross with a white covering. We also gathered in the Christmas lights from the shrubs outside.

### Basketball "Knights" - reporting - Dave Carney

"We have just finished up this past weekend with our last tournament. Attached is a team photo. They competed real well, and it was a great experience for the boys which again was made possible by the Knights; and I let the kids and parents know at every turn of your initial generosity.

We performed well. Getting to the championship in one of the tournaments. I'll send you a video of the game that propelled us in the finals, a buzzer beater, in a follow-up email.

Happy, Happy Easter and best to you and all the work that the Knights are doing. If you need help with tootsie roll drive let me know. I love working the spots for a good cause."

*(Note: This January, our council voted a modest \$350 to help this team purchase insurance and team shirts. Our good deed is rewarded by the enjoyment and lessons of teamwork that these kids got in the program. - ed)*
