Council 4442 Knightly News

From the Desk of the Grand Knight:

Brothers, Thank you to all who made the family day picnic and scholarship drawing such a success! I am at a loss for more words this month, and I don't want to short-change Bruce Silver's excellent biography below. That's my excuse and I am sticking with it!

Vivat Jesus!
Paul St.Amand

Who is Bruce Silver, our Inside Guard?

Bruce Silver was born in Boston in 1946 and spent his childhood years in Braintree, MA before moving with his family to Connecticut. After high school, Bruce enlisted in the U.S. Air Force, and retired after his 4-year commitment as staff sergeant. Beside state-side duty, Bruce served six months at Anderson AF base in Guam and a year at Tuy Hoi AF base in Vietnam. It was in Vietnam that Bruce attended RCIA and became a Catholic.

In 1970, Bruce married Rosanne and together they parented three children in Wallingford, CT. In 1973, Bruce graduated from Central Connecticut State University with a BA Degree in Accounting. His career path led him to 40+ years in the field of plastics (remember the film The Graduate?!), specializing as a process engineer in injection molding. Throughout his professional career, he held several leadership posts in the SPE (Society of Plastic Engineers) and served as an advisory Board member for the Industrial Education Department at his alma mater, CCSU.

For their retirement years, Bruce and Rosanne decided to relocate to Salem where their three adult children had all settled. Their family now includes 10 grandchildren who keep them busy with a wide variety of sporting and musical events. In addition to family activities, Bruce continues his interest in softball playing several times each week, even during the winter months. He also enjoys fishing, canoeing, hiking and traveling, particularly visiting our National Parks. Bruce is keeping active in Salem by volunteering as a Caregiver, a member of the Kiwanis club and a food pantry volunteer for Saints Mary and Joseph Parish.

It was while participating in a Lenten program in 2015 that Paul St. Amand introduced Bruce to the Knights of Columbus organization. He is now a third degree Knight, enjoying his participation in several church and community K of C sponsored events, and is looking forward to serving as Inside Guard.

"I can't believe my life has be reduced to 4 short paragraphs!" - Bruce

BILLS AND COMMUNICATIONS and COMMENTS: GK Paul St.Amand

7:36PM "Thank You's" received:

- Letter from Brian Hewett, Eagle Scout, for use of hall for fundraiser dinner for project at Field of Dreams. Enough money was raised to build the info Kiosk, and excess funds given to "We Care Charity" for meals.

- From Veterans Affairs dept at Manchester, NH, for our support of Bingo

A tip of the hat to:

Joe Stafford and the picnic committee for the family picnic and scholarship awards. Great food and the magic show was well received.

Culture of Life – Dennis Groulx and Ron Bourque.

We delivered the second donated ultrasound to the pregnancy care center in Keene yesterday. (This is the third machine that our council has facilitated delivery.) The PCC was on shutdown, so the arrangements were a little complicated. I rode in the truck just in case something fell through the cracks, but everything went perfectly.

I want to thank Steve Ruel, District Deputy for the Keene area, for all his help. I also want to thank our brother knights, Jonathan Allard, Alan Gross, and Dennis Kelleher for coming to the center to help with the unloading.

Christine Andrad, board member for the PCC, came by to let us in and show us where to put it. Craig Borin from Evolve Technologies drove the truck...

The attached picture shows the crew minus Craig and I. This donated ultrasound was delivered on August 9 to Winchester, NH, the newly opened satellite center for the Keene PCC.

Veteran's Report – Enrico Casaletto.

7:46 Veteran events coming up in the near term...

The POW/MIA vigil is Sept. 17 & 18. It is a 24 hour vigil, which starts at 11:00 AM on the 17th and ends on 11:00 AM on the 18th. Each group stands 15 minute watches. My wife Pat and I generally stand about four different watches. All are welcome to participate. Contact me for details.

The Woodbury breakfast is scheduled for Nov. 4.

There is also a presentation at the Kelly Library, on Nov.9 (Voices of Salem's Veterans).

The dedication ceremony (AMVETS Flag raising and dedication of a monument to our departed comrades) will be held at 10:00 AM on Dec.5, at the Pine Grove Cemetery. All are invited to attend.

Bingo – Ron Bourque

7:44PM On a track for great year, ahead of our budget projection! Thanks to Lou, Paul, Ken, and Thanks be to God!

Texas Hold-em – Larry Belair

7:47PM It's been a good run. Nearly 10 years and \$532,646 later, the Texas Hold Em program has ended. That it was a timely lifesaver for the Council when Bingo revenues were dropping is indisputable. I am particularly grateful for the nearly 30 volunteers who, over the years, answered the call. No one was more dedicated than Al Hamel who, in all the years when we actually had to have workers present, only missed one event. My thanks to Al. I also want to thank Brother Lou Stella who in the early years, despite being very busy trying to right the Bingo ship, found time to co-chair the poker activity with me. In later years, it was Gene Bryant who alternated with me to

pick up the checks and get them to the Bank.

Our Council got to share our earnings with hundreds of people and needy causes. We got to do what Knights do best - we helped others. Today, Thanks to Lou, Paul and the dedicated Bingo teams, we continue that legacy. My hat is off to all of them for what they do.

Hopefully, we may be able to have poker again, should someone resurrect the program. Gene and I are working with prospective entrepreneurs and we'll keep everyone informed. For now, thanks to all for your help in making the Texas Hold Em program a huge success. (And "Thank you, Larry!" for leading the council in this fund raising effort! -ed)

Santa Maria Float – Chanel Simard has agreed to make repairs to the boat, when the weather cools off. Thanks, Sim! The trailer itself will still need someone's attention.

Blood Drive

7:50PM The blood drive was July 14. 52 pints were collected. The next drive is Thursday, Sept 15.

Knight of the Year – Butch Kealey

7:51PM *(Fifteen past Knights of the Year met August 11, to select the 2016 Knight of the Year. Results to be announced at the banquet, tentatively scheduled for November 5. Attend and find out who does the work next year! - ed.)*

- Applications for Tuition Assistance for Parochial Students are [now available on web site](#). Forms are due Sept 1. A few applications have come in already. There are paper copies of the form in the lounge area of the hall.

Old Business:

None

New Business:

7:58PM Don Simmons and Tom Campbell, trustees, presented the following. The council voted and approved:
\$200 for Childhood Cancer Lifeline of NH, requested by Joe Stafford, from solicitation of Dane Hoover.
\$250 for We Care Charity program (*name?*) (Pleasant St. Methodist Church meals program)
\$100 for “Bridging the Horizons,” a social activity program in the Salem area for folks we help in the Tootsie Roll drive.
\$500 for Pathways Pregnancy Care Center of Littleton, NH. (This is the PCC that received our first ultrasound machine. The poor winter for skiing hurt their tourist economy and donations are low in that already impoverished region. We will probably add them to our yearly budget, at \$500/quarter, for discussion and approval in 2017.)

Notices of Motion:

Presented but not debated were two notices of motion dealing with donations over \$500. The council will decide at the September meeting under “old business.”

Family Promise of NH: We have them already in our budget at \$1,500 for October. They seek donations by August 15, for an upcoming gala and promotional media blitz, so that givers could be recognized in their program books and web sites. GK Paul proposed to advance the \$1,500 to August, which was done. This check has been mailed to them.

Paul proposed a **NOTICE of MOTION for \$1,000** additional for Family Promise of NH, to be approved in September. This additional money will get the council to the top-level promotion point, the “Oscar Level Sponsorship.” If we give \$2,500 total, (which this additional \$1,000 will do) the council gets top billing, public acknowledgment and publicity, free food and table for 10, etc. (Paul will write a letter with our August donation, already budgeted, and say the remainder of the \$2,500 will be coming in September, so we get credit for the top level contribution.) (The banquet is November 4 at the Atkinson Country Club.)

NH Right to Life: GK Paul presented a **NOTICE OF MOTION for \$1,500**, to be voted upon in September meeting, for the NH Right to Life. They have a banquet October 6. I suggest our sponsorship at \$1,500, the top “Gold Level” of support. Sept 19 deadline for donation and advertisement.

District Deputy Report - Bill Richards

8:10 PM

1) Brothers, I bring you greetings from our State Deputy Wayne Griffin and I would like to thank your Grand Knight for allowing me to attend your meeting and make my presentation.

2) In opening we need to be congratulating our State Deputy Wayne Griffin as he was awarded the circle of honor at the Toronto convention.

3) Membership recruiting is a major concern to our State Deputy this year as the summer doldrums has produced the usual slow recruiting period and our membership is down significantly this year. We are asked to step up membership recruiting this fall and council are being asked to have a recruiting drive between September and October and to review all terminations to determine if there is any way to maintain them as active members. District membership is down by 7 members as of August 1, 2016.

4) Exemplifications:

- First Degrees: Admission:
 - Friday August 26, 2016 Manchester, NH 8:00 pm
 - Monday September 19, 2016 Bedford, NH 7:30 pm
 - Friday September 30, 2016 Manchester, NH 8:00 pm
- Second Degree: Formation:
 - Friday November 18, 2016 Hudson, NH 8:00 pm
- Second/Third Degree: Formation/Knighthood
 - Saturday September 17, 2016 Exeter, NH 10:00 am
- Fourth Degree
 - Saturday November 12, 2016 Lebanon, NH 10:30 am

5) The K of C state Fishercats baseball game is scheduled for Saturday, August 20, 2016 in Manchester, NH and we have a number of brothers attending. The state is looking for volunteers to man their membership table at the stadium. Those who are interested in manning the table need to contact Wayne Nadeau at 603-459-4324.

6) Registration forms are available for the K of C retreat at Camp Bernadette in Wolfboro, NH. The cost is \$75 per knight and if you wish to take a non knight along as a membership inducement his cost would be \$70. The retreat is scheduled from September 23 to September 25, 2016.

7) The NHRTL dinner is scheduled for Thursday, October 6, 2016 at the Executive Court in Manchester, NH. Cost is \$60 a person.

8) State Ball is scheduled for Saturday, October 8, 2016 Our Lady of the Holy Rosary; 189 North Main Street; Rochester, NH. Cost is \$25 per person of table of 8 at \$200.00. We are encouraging the councils to purchase a table of at least 8. The deadline for tickets is September 30, 2016.

9) At the Summer Quarterly meeting we were informed that there is to be a change in the handling of the current Kidney Fund. As the number of patients in the kidney dialysis program is shrinking and the kidney fund has reached a huge value and is increasing rapidly. The state is considering allowing for the inclusion of medications for kidney transplant patients but the bylaws for the kidney fund does not allow for the fund to be used in that manner. A new Fund is being created for the transplant patients known as the Kidney Transplant fund and it is to be administered by the K of C Council 5093 in Hampton, NH. From now until the end of the current fraternal year all donations earmarked for the kidney fund will now be given to the Kidney Transplant Fund. They will be sent to Knights of Columbus Council 5093; C/O David Hagen; P.O. Box 2052; Hampton, NH 03843. This will remain in place until the current Kidney Fund by-laws can be amended at the state convention in 2017.

10) The State Master for the 4th degree has agreed to perform a special exemplification for Fr. Al Hicks. The exact date and time is currently on hold as there have been scheduling complications with the council hall and also with the state master. Keep and eye out for a general email announcement soon.

GOOD OF THE ORDER announcements

8:19PM Retreat September 23/25. The cost for father and son is \$120.00. Individual is \$75.00 Bill says it is a great deal for a superb meal! See above in DD report for details.

TAPS (Tuition Assistance for Parochial Students) applications are available. Deadline is Sept 1. [Click HERE for application form.](#) Time is running out!

Lecturer Report: Ron Bourque

8:25PM Ron presented an email from Dr. Brian Sargent, the medical director donating his time to the Pregnancy Care Center in Barre, VT. He works in the emergency room at the local hospital, and supports the pregnancy care center on his days off. He came down to Salem a few weeks ago to check the machine out, then came back with a U-Haul to take it away on May 3. *(This is the second ultrasound that our council facilitated delivery, it was the first that was donated. ed)* Dr. Sargent's efforts are laudable! Here is what it takes to get an ultrasound program up-and-running...

From: Brian Sargent; Sent: Tuesday, July 19, 2016 10:28 PM

In May, our Director, our RN and I traveled to Fredericksburg VA for a three day introductory course at the National Institute of Family and Life Advocates. It was a great course and answered most of our questions about how to set up the program. The president is Thomas Glessner JD who has prepared a set of SOPs that we are now reviewing and adapting to our center. Part of the course involved doing several scans on live (pregnant) clients so our nurse was able to get her first scans in.

Last month we went to an established Care Net Center in Lebanon and our nurse was able to do a few more scans.

I authorized a "checkup" dusting and cleaning of our machine which will be done by Trisonics (they service most of the machines in the area). This month, on Saturday the 30th we will have an open house to show our machine. I asked Shannon to notify the local K of C of the date. We have a board meeting tomorrow so I can confirm that happened.

The rate limiting step right now is getting our RN some experience. It is not too difficult for an office practice to let a student so some supervised scans in a private OB office, but therein lies the problem. The second problem, is that most OB's in the area are not pro life. Very few OB's are in private practice anymore, they all work for a hospital. It is much harder to get into a hospital because of all the red tape that goes with setting foot in a hospital. We have found one OB that is willing to help but he is not presently available. (I believe he is on a mission trip). We have been over to the Care Net in Burlington, Vt but they do relatively few scans in the summer. It will pick up in September when the College Students return.

The National Institute of Family and Life Advocates recommends that our RN has 60 supervised scans before she can work on her own so we are working on it. NIFLA also recommends an online course for physicians which I will pursue. If our RN does not have the 60 Scans by September, I will have to set some time aside in my schedule to be present while she scans. (probably one day a week to start).

We are getting there, it is just slow starting from scratch without a certified sonographer. We will get there!

God Speed!

August Knight of the Month to Joseph Stafford

The August KOM recognition goes to Joe Stafford, for all the work to "vet" the scholarship applications (46 this year), deal with late applications and disgruntled grandfathers, while also putting together the family picnic and getting great entertainment, and be the "master of ceremonies." The checks were all written out and ready to go at the drawing. Great preparation and teamwork with Charlie and Bob. Joe takes charge of the program, handles

all the details, recruits help, and gets the jobs done! And he graciously acknowledges all the help he gets! He is also the unofficial Worthy Photographer for our meetings.

Attendance Drawing

8:32PM The August drawing for \$30 was won by James Rand, who was attending his first meeting in a long time! Anyone can win! Attend the Sept meeting; the prize is \$10.

Closing Prayer and blessing was done by GK Paul. Amen!

Meeting adjourned at 8:33 PM.

Knights - Masons Fellowship Dinner - Bill Richards

Bill met with several Masons recently over breakfast, and they thought it would be good to re-start our "annual" fellowship dinner. It will be Thursday, November 3, 2016 at their hall on Main St, Salem. The dinner is on them this year. The visiting organization usually makes a donation to the home organization's charity. We will have time at the next two meetings to cover all the details. *(While Knights cannot be Masons, that doesn't mean we can't sit down to a meal together. If you could time travel, would you share a meal with Masons George Washington, Ben Franklin, W.C. Fields? Check out this web [site for a list of famous Masons](#). - ed)*

VETERANS Cook-Out - Rico Casaletto reporting

Front row left-right: Jeanne Collopy, Patricia Casaletto, Gail Coleman
Back row l-r: David Thompson, Walter Coleman, Richard Collopy, Chanel Simard, Enrico Casaletto Donald Simmons, Leo LeMay

On Saturday, July 23, 2016, at 9:20 AM, five cars departed from the Knights of Columbus Hall, Council 4442, in Salem, NH. The cars were on their way to the New Hampshire Soldiers Home in Tilton, NH. The members of the Council were going to hold their first cook-out for the residents. (the round trip mileage was 125 miles). A sixth car also left from Lincoln, NH and a marine veteran, riding a motorcycle left from Salem, NH. The total miles driven, including trips to different markets to arrange the food to be used, was 900 miles. There was a total of 12 volunteers, the total hours volunteered was 80 hours.

The residents were treated to an "all you can eat cook-out." The menu consisted of:

hamburgers and cheese burgers, hot dogs, baked beans, potato salad, macaroni salad, watermelon, cake, coffee, bottled water, and soda.

The cook-out began with the Pledge of Allegiance, a prayer of thanks and the National Anthem (played by Sir Knight Donald Simmons) Many of the residents sang along.

The residents were happy to have some one to share their stories with. One resident said that he was at Pearl Harbor, on Dec. 7, 1941 and was on the ship that fired the first shot. Another told how his outfit landed in Italy and fought their way through Italy, France and into Germany.

Throughout the meal the residents were entertained with music played by Don Simmons (the residents asked if he would come back again).

Those that volunteered were: Sir Knight Enrico Casaletto and Patricia Casaletto, Sir Knight Richard Collopy and Jeanne Collopy, Sir Knight Chanel Simard, Sir Knight Donald Simmons, Sir Knight David Thompson, Third Degree Knight Walter Coleman and Gail Coleman, American Legion Auxiliary Gloria Morin, American Legion Timothy McCarthy, Marine veteran Leo LeMay.

I wish to thank the members who volunteered to help, Council 4442 for sponsoring the even at a cost of \$310, and the staff of the Soldiers Home for their help.

Christmas Party for the Council

(Yes, it's 95 degrees outside, and we are talking the Christmas Party! -ed) The team of Wil Boutin, Don Gagne, Jose Moreno, and Al Faucher are starting the Christmas party planning. Al Faucher is the chairman this year, with Jose, Don, and Wil helping out.

The Knights of Columbus annual Christmas party will be held on Saturday December 10th. Further details will be provided in the September Newsletter. Please keep this date open on your calendars. If possible, please make your reservations early by calling Don Gagne @ 736-3310, Jose Moreno @ 898-3254 or Al Faucher @ 893-6708.

(Since people don't read or call, the team also resorts to calling you based on info in our roster. But a problem with the current roster is that many phone numbers have changed, and a lot of people are using their cell phones and are hard to reach. I ask that all members send in their cell number or revised phone number for the member list. I will be preparing a new total roster within the next few weeks. Email your phone info to grandknight@kofc4442.org -ed)

Family Picnic and Scholarship Drawing - Joe Stafford

Council 4442's Family Day Picnic and Scholarship Drawing was held on Sunday, July 31, 2016 and attended by approximately 110 members, family and friends. A threat of rain was prevalent throughout the day so we moved all activities inside the Council Hall, minus the cooking tent and grills, for a "cook-out, eat-in." Cooking was performed both inside our kitchen and outside under the tents. Our Grand Knight, Paul St. Amand, blessed us with his presence and PGK & PDD Dick Collopy offered the opening prayer. The food lasted, with extra/leftovers to spare which was divided among the members.

Sim says: "The tent, she too low."

The Magic Show/entertainment was performed by Magician Eric Conover who was well received by all (including Butch Kealey and his "Ben Franklin.")

"Come on in, folks!"

A full house of 110!

I want to thank Al Hamel once again who through his charming disposition, collected \$255.00 for the 50/50 drawing.

Linda Richards won the drawing. Repeatedly, this year we had an army of volunteers which says volumes for our Council's commitment to always come forth and help out when needed. The following members were instrumental in setting up the tent, grills, table and chairs on Saturday, July 30, and cooking & preparation on Sunday July 31st. Not in any particular order:

Don't lose your head, Lucy!

Standing room only!

Grand Knight Paul St. Amand, Dave Thompson, Don Simmons, Butch Kealey, Elaine Kealey, Gene Bryant, Chanel Simard, Kevin LaPierre, Bill Richards, Dick Collopy, Mike Petrilli, Dennis Coleman, Al Hamel, Charlie Walsh, George Masciarelli, Bob Defeo, Mark Bunnell, and many positive thoughts and actions of others....

A BIG Thank you goes out to all!!

Scholarship Drawing: There were 46 qualified applicants. This year, the Council was awarding sixteen \$500.00 Scholarships. Through a general drawing, the sixteen \$500.00 Scholarship awardees are:

Joe explains the process...

Fiona LaPierre, Jack Ganley, Andrea Masciarelli, Nicole Pesce, Kathryn Scharn, Jared Brescia, Peter Antonietti, Jodi Gosselin, Helen Shiepe, Nicole Lavoie, Nicole Downing, Samuel Gagne,

Joe with Nicole and Paul Lavoie. (Nicole is the pretty lady between the ruffians.)

Arianna Sullivan, Joseph Costa, Morgan, Starkweather, Kelly Schwing.

Odds and Ends photo department...

Mike and Butch make sure all is clean and sanitary.

Something about the meal doesn't agree with him. Dirty dishes, perhaps?

New transfer Ed Spinelli, with unidentified friend.

Coats for kids...Paul St Amand

Coat Shuffle - 2015

I will order early September. I need a place to "stage" the coats for marking and repacking, as I am selling my house and won't have the space. A two stall garage is used for about 4 days, along with two 8-foot tables for folding and sorting. Jim Broadhurst has volunteered his company garage in Andover for our use... but that would be longer haul for us. Any other volunteer? (Do you have space and can you be "on-site" for day of delivery? We get a phone call the day before, telling me, "The truck will be there tomorrow, sometime after 7:00AM." That's about as close as it gets to being precise. So there would need to be someone on site to accept the shipment. The coats come on two or three pallets, and the driver will put the pallets where you want them... as long as it is not up or down hill to your garage!)

Isaiah 58 New Hampshire - Gene Bryant

The Rev. David E. Yaska, President of Isaiah 58 project for housing, support services, and life skills training to homeless folks, has requested our support and attendance at the third annual charity benefit, to be held September 10 at the Atkinson Country Club. Hope some of the Knights will again be able to attend the event and support the work with the homeless and housing insecure. Tickets for the event are \$50/pp. This year, the humanitarian community service award will be presented to Ed Callahan. Tickets can be purchased on-line at the [Isaiah58 web site](http://Isaiah58.org). You can also contact Gene, he may be gathering names to fill a table.

(Photo at last year's event for Isaiah 58. The council made a big impression. Rev. David had a hard time finding an ATM big enough to accept that check! -ed)
