Council 4442 Knightly News

From the Desk of the Grand Knight:

Brothers,

Happy New Year! How are you New Year's resolutions working out?

In January, we Knights mark the Supreme Court's decision in Roe vs. Wade to legalize abortion. There are events locally and nationwide to mourn the deaths of so many unborn and the long-lasting consequences to the mothers who never were. On Friday, January 22, we will have a rosary and Mass at St. Joseph church at 7:00PM. I urge you all to attend and pray for our babies and our nation.

Choose Life in all stages!
Paul St.Amand

Corporation Election - Board of Directors

On Tuesday, January 26, at the hall at 7:00PM, the election of the "board of directors" for the corporation will take place. There are 14 directors to be elected.

All members in good standing of Salem Council 4442 are members of the Bishop Peterson Corporation and eligible for election as a Director. If you wish your name to be on the ballot contact Don Gagne, corporation president. Although nominations from the floor are accepted, having names in advance allows preparation of ballots ahead of time.

All members are encouraged to attend the Annual Meeting and vote in this important election.

The corporation owns and maintains the hall and grounds, and it sets policy for its use and rental. The council rents the hall from the corporation. For legal reasons of liability and insurance, Supreme has set rules that councils shall not directly own property; thus a separate corporation was created to buy the property, renovate, and own the hall we use for our events.

Our hall is in use for many functions besides our council meetings. The hall is an excellent meeting space for our blood drives, council parties, breakfast and dinner events, and rental by members for socials, showers, and anniversaries, or other non-partisan political event. Take pride in the great location we have for our use; take part in its operation and maintenance. Come vote; consider being a "director."

Council Meeting Notes from Jan 13

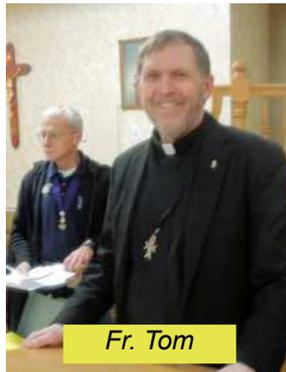

UNOFFICIAL

(Taken from hurriedly scribbled notes of the GK.)

7:35PM: GK Paul St.Amand opened the meeting late. There were 27 attending; the meeting concluded at 9:01PM. All officers present except for Advocate, Warden, DGK, Chancellor, Inside guard, Recorder. (*excused for vacations, surgeries, and whatever's – ed*) December minutes were mailed to the GK by Mike Banks, the recorder, and were read by Rico Casaletto who accepted the recorder's job for tonight. One change was made to the budget item in the minutes as a result of the conclusion of the yearly audit.

CHAPLAIN'S MESSAGE: Fr. Tom on "Beginning Ordinary Time"

Fr. Tom

8:20PM: (*Fr. Tom was attending a wake and gave his message at the time of his return. -ed*) We have passed from the season of Christmas into "ordinary time" in the church calendar. This is the time for us "ordinary people" to take the message of Christmas and put into effect what we have heard. God didn't come as a magical king, sitting on a worldly throne and making laws and forcing justice on the whole world. He came as a baby. We read of Jesus's call of the apostles, to "come, follow me." We, ordinary people, are called to radiate the goodness of God and to change our human way of thinking

We Three Kings

Curley, Larry, and Moe

Seen at the gazebo at the Salem Town Center, were three wise men ("wise-guys"?), who helped at the opening ceremonies for the Christmas tree lighting. Dave, Sim, and Ken volunteered to dress the part and add a little decorum to the pageantry. *(Probably very little decorum was added!/- ed)* Thanks to those guys for going out on a very cold night.

Children's Christmas Party - Dec 20 - Santa

Santa and Friends

We gathered at 1:00PM, and grabbed some pizza and sandwiches, and chatted. The kids enjoyed themselves getting acquainted with each other, and dancing to the tune of the accordion player. Suddenly, about 2:00PM, Santa made an entrance with a hearty "Ho! Ho! Ho!" and went to his Santa chair beside the Christmas Tree. Magically, there were presents under the tree, and Santa called each child up and handed a wrapped package to them. We want to thank Santa, and look forward to his visit again next year!

Toy Distribution and Pack-up - Alan Phair

At the January meeting, Alan thanked all the members and friends who helped make this year's drive a success. With the demands of Alan's new job as Town Manager for Windham, he could not have done the Christmas Toys without you! Many folks helped distribute toys and then packed up the remainder in preparation for next year's campaign.

Packed up and ready for storage.

"Wait, I see Alan packed into the bin!"

Windham Pro-Life Talks - 4th Thursday of the month

The Windham council is sponsoring a Pro-Life series of talks at St. Matthew Church. Each program begins at 7:00PM with a short Mass on the 4th Thursday. Then a speaker gives a 30 minute talk, with Q&A.. No reservations required. Just show up!

The first talk: January 28, Thursday - "**Abortion: A Global Tragedy**" by Dr. Michael Spiedel. *Every year, for every 220 million pregnancies, there are approximately 56 million abortions performed around the world. Dr. Speidel is a graduate of the Poznan University of Medical Sciences in Poznan, Poland and was a former faculty member at Harvard Medical School and the University of Massachusetts, Lowell. Dr. Speidel is currently the Director of the Respect Life Series at St. Matthew.*

Visit to Veterans' Center in Manchester - Dec 13 - Rico Casaletto

On Sunday, Dec. 13, five members of the Knights of Columbus and two of their wives visited hospitalized veterans at the VAMC to wish the veterans a Merry Christmas and present each of the 42 patients with a little token of our gratitude (a \$5.00 "canteen" certificate to the center's gift shop.).

The first veteran we visited served in The United States Air Force during the Korean War, and as I shook his hand, he remarked that my hands were that of a working man and reminded him of his youth growing up on a farm in Hudson. He also remembered my wife who had helped him with his Bingo cards in October. The next veteran had served with The US Navy during WWII told me that he served on an aircraft carrier, in the Mediterranean Sea. The next was an Army veteran who had served for 18 years, during the Korean War and the war in Vietnam. The next was a Marine; I told him we had just had dinner with a young marine who was stationed at Parris Island, he said "ah Parris Island, I remember it." Although his right hand was covered with a protective glove, he stretched out his hand to shake my hand. The next patient stopped eating and thanked me for taking the time to visit him. The last patient was proudly wearing a WWII baseball cap, a big smile came upon his face and he thanked us.

Each and every patient I spoke with, thanked me for taking the time to come and visit them, to wish them a Merry Christmas, and for the gift which we had brought.

One patient offered my wife the chocolate they had for a dessert, he said he wished it could be more.

On our drive back to the Council Hall, Al remarked how one patient had opened the envelope and remarked, "I can really use this because I am going to the canteen in the morning." I feel we left the VAMC feeling better when we had arrived. I wish to thank the Knights and our wives who helped (Walter and Gail Coleman, Al Faucher, Dennis Grouix, Dan Buck and my wife, Patricia Casaletto) and K of C Council 4442 for sponsoring this event

Bill Richards announced that there are rumors that in August, a "Night for Knights at the Fischer Cats" may be planned. This would be state-wide for Knights. Maybe we can watch Al Faucher and Jose Moreno in a race around the bases. We hope that the state council selects a game pitting the Fisher Cats against the Red Sox farm team, the Portland "Sea Dogs"; and we want fireworks!

There will be a special state Lenten program, "[Forty Days for Life](#)," starting on Ash Wednesday, Feb 10. (Yes, the start of Lent is that soon!) Again, click on that link above for full details.

The Supreme Insurance Agency, in conjunction with our NH State Council, announced in 2014 the "Golden Knight Award," which recognizes any and all members who bring in 5 new members in any fraternal year. All any Knight needs to do is to bring in 5 new members with you as their sponsor. A special award will be presented to you at the State Convention by the State Deputy.

Juston McKinney

New Hampshire's Juston McKinney returns with lots of new material!!

Juston has two Comedy Central Specials including his own one-hour special and multiple appearances on the Tonight Show, and on Conan O'Brien, but there's no place like home! When NH magazine named him "Best of NH" they wrote, "The Granite State may have more famous comedians than you can shake a stick at (Seth Meyers, Sarah Silverman and Adam Sandler to name a few) but no one really "gets" New Hampshire humor like Juston McKinney. He's been using the state as his comic muse since he was humoring perps as a deputy sheriff on the NH/ME border in the 1990s. Now he's got TV deals galore and appearances on "The Tonight Show" and Comedy Central." His Youtube channel has over a million views, which includes NH favorites such as "Live Free or Die" and "Live Freeze then Die!". Juston was born in Portsmouth and he currently lives in New Hampshire with his wife, two children and two dogs.

Baby Items Wanted for Donation - Paul St.Amand

I will be taking a laundry basket of baby items to the quarterly meeting. Each council is asked to bring a basket of stuff to be distributed to the pregnancy care centers in our state. (The basket itself is a needed item.) A list of requested items was in the December newsletter, but use your imagination. Any item for babies is wanted! Diapers, blankets, bibs, "onesies", feeding spoons, stretch outfits, maternity clothes... The basket is in our hall on a table. You can drop off any donated items, up until the time I leave for the quarterly meeting, Sunday 11:00AM, Jan 24.

- Benefit from the progress being made toward finding cancer's causes and cures
- Get access to lifesaving screenings and treatment

Too many people will be touched by cancer this year. Relay For Life events are our opportunity to inspire hope by raising funds and awareness to help those facing the disease. I hope you will join me!

Lecturer's Reflections: - Ron Bourque

For his presentation, Ron showed on the hall TV, an amazing look at the development of the baby in the womb. [Click HERE to see the video.](#) Click on the video once the new window opens on your screen. 9 minutes total time.

Alexander Tsiaras shares a stunning visualization of human development from conception to birth.

This video helps us gain perspective on the wondrous amount of perfection that must go "just right" for a single human being to be born. We are truly amazing creations, and we live in an awe-inspiring universe.
