Council 4442 Knightly News

From the desk of the Grand Knight

Happy New Year

Brothers,

The New Year has started. What were the resolutions you made to start the year? Are you still on track after just 2 weeks?

Was one resolution to become more active in the council? There are many opportunities to help out or even lead in some event. If you say, "No one ever asked me to help," that might be true. But I have never heard anyone ask, "Can I help out?" and then been told, "No thank you, we have everyone we need."

We do need people: at the free throw event, the Pro-Life Mass, the blood drive, just to name a few. Simply show up and help! Set a goal to be active in at least three events this year! Don't wait to be asked! Consider yourself asked, right now, through this newsletter request!

Vivat Jesus!

Corporation – Election of Board of Directors and Officers

On Tuesday, January 24, at the hall at 7:00PM, the election of the "board of directors" for the corporation will take place. There are 14 directors to be elected.

All members in good standing of Salem Council 4442 are members of the Bishop Peterson Corporation and eligible to vote and stand for election as a Director. If you wish your name to be on the ballot contact Mike Petrilli, corporation president. Although nominations from the floor are accepted, having names in advance allows preparation of ballots ahead of time.

All members are encouraged to attend the Annual Meeting and vote in this important election.

The corporation owns and maintains the hall and grounds, and it sets policy for its use and rental. The council rents the hall from the corporation. For legal reasons of liability and insurance, Supreme has set rules that councils shall not directly own property; thus a separate corporation was created to buy the property, renovate, and own the hall we use for our events.

Our hall is in use for many functions besides our council meetings. The hall is an excellent meeting space for our blood drives, council parties, breakfast and dinner events, and rental by members for socials, showers, and anniversaries, or other non-partisan political events. Take pride in the great location we have for our use; take part in its operation and maintenance. Come vote; consider being a "director."

Patients in critical need are depending on it. Please consider giving the gift of life if you are able to. Donors will receive a \$5 Dunkin' gift card as a thank you.*

The need for blood is constant and only volunteer donors can fulfill that need for patients in our community. Nationwide, someone needs a unit of blood every 2 to 3 seconds, and most of us will need blood in our lifetime.

Knight of the Month for January to Tom Campbell

Tom has been a knight for seven years. He is ready to help out in any activity, has given loyal service as trustee for four years, and especially deserves recognition for bringing Santa to the children of our council at the annual Children Christmas Party.

Attendance Drawing

The January drawing for \$50 was won by Rico Casaletto, on the third number pulled. (For this \$50 prize limit, we drew numbers until a winner was drawn.)

Anyone can win! Attend the February meeting; the prize reverts to \$10.

Closing Prayer was led by GK Paul. Amen!

Meeting adjourned at 9:02PM.

Concord March for Life

(Reported by Ron Bourque from the January 14 March for Life: - ed)

The weather was sunny but cold for the march; at least we didn't have to worry about snow this year. Attendance by our council was very limited. I saw Pete Klecan, Mark and Doris Alfano, and Dick and Jeanne Collopy; there might have been others from our council, but I didn't see them. There was a good contingent of 4th degree members, but none from our council that I noticed. I did manage to get a few photos at the event.

Sir Knights brought the gifts for Mass.

Auditorium Chair Putter-Uppers

Thank you to the Brothers who set up chairs at the School Gym for the Christmas Mass. We put up seats for over 500 people. Present were (l to r in photo) Gene Bryant, George Masciarelli, Charlie Walsh, Bruce Silver, Dick Collopy, Ken Bryant, Norm Comeau, Don Simmons, (and Paul St.Amand behind the camera lens.) We did it in less than one hour.

Next time, dear readers, you can help! We will need the chairs back up for the Easter Mass to accommodate the Catholic CEOs (*CEO means "Christmas and Easter Only -ed"*)

Ultrasound Machine in Louisiana

Our council contributed money to help raise sufficient funds for the purchase of an ultrasound machine in the flood devastated area of Baton Rouge, Louisiana. Here is an excerpt from a thank you letter we received from Vince Whittington, LA State Event Chairman.

A check was presented on December 2nd by myself and Arline Mistretta, wife of our Pro Life couple, to the owner of "Caring to Love" ministry Dorothy Wallis. It was very well received and even brought tears to her eyes. She is very grateful for all that the Knights have done to help her get back up and running. She ordered the Ultrasound machine and it should be in during the first part of January is what I was told. We will get pictures and I will forward them.

Vince Whittington, Arline Mistretta, Dorothy Wallis

I also gave her the breakdown of where the \$33,600 for the Ultrasound came from, which is:

- Bishop Peterson Council # 4442; 37 Main St, Salem, NH 03079 in the amount of \$13,000
- Father Charles A Bartek Council #9431; P.O. Box 7770, Jackson, WY 83002-7770 in the amount of \$500
- St Aloysius Parish and Council 3743; 2025 Stuart Ave, Baton Rouge, LA 70808 in the amount of \$3,300
- Knights of Columbus Supreme check for ½ the cost of the ultrasound in the amount of \$16,800

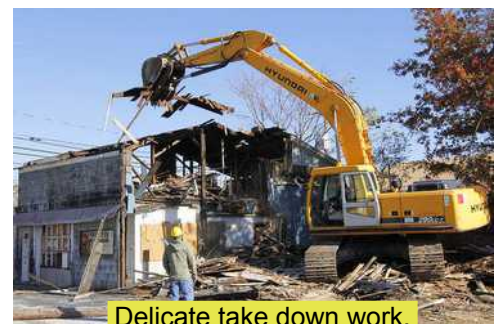

We went back and did a work day on December 17th, doing some painting, moving some of the medical beds and equipment into the clinic. She is currently working out of the administrative building which is not complete and a motor

home. She is hoping to be back into the clinic on January 22nd so we are working to schedule another work day for January 14th to help her.

On December 17th at our work day we did an interview with the Columbian magazine and the Catholic Commentator. In the interview they were told the story of how the ultrasound came about. I sincerely thank all of our Brother Knights for the help with this situation. It has truly been a blessing working with you and a couple of other council from around the country to help the Caring to Love Ministry crisis pregnancy center.

Manger Take Down

At the January meeting, GK Paul called for some help to "de-manger" the rectory. Since by January 12, the three wise men had long since left Bethlehem to go skiing back east, and Mary and Joseph and Baby Jesus were on their way across the Suez canal for a vacation in Egypt, it was time to take down the manger on the Main St. rectory lawn. Thanks go to Ed Lynch, Charlie Walsh, George Masciarelli, Mike Petrilli, and Paul St.Amand, and Maryann Murach. (P.S. Maryann is not a Knight.)

Delicate take down work.

Santa Maria Cover-Up Scandal

Santa Marie float, after snow storm on council grounds.

So our Santa Maria float was facing a cruel winter, fully exposed to the elements. The fine paint and carpentry job that Sim Simard had done was going to be rotting away in the salt air, ... something had to be done to save the ship! Can someone hear our SOS?

Thanks go to Mike Petrilli and Dave Thompson, who on the morning of Saturday, Jan 7, after attending a \$6 breakfast at a place I cannot mention (inside joke), they came to the council home, put up the inner scaffolding, then covered the boat. Thank you Mike and Dave!

DAY OF FASTING, ROSARY. January 22-23.

Please join with members of our neighboring parishes in penance for the sins of our nation against the Culture of Life. The type of fast can be selected by each individual, but it is suggested to abstain from solid foods for 24 hours starting 7:00 pm, Sunday evening, Jan 22, 2017. Adoration and rosary also begin Sunday 7:00 pm in the chapel at St. Mark's Church, Londonderry. You can sign by calling John 434-4098.

Our fasting concludes with a Benediction at St. Mark's starting 7:00pm Monday evening, Jan 23. Refreshments will be available after the service. - Sponsored by the Knights of Columbus.

Salem Christmas Toy Distribution: Pack it up - Alan Phair

A big **Thank You** to everyone who made the toy distribution a success. There were still customers who came the next few days after we officially "closed for business."

But we could still help them out. Several brothers showed up to help pack the remaining toys into boxes, and then next

day, a larger force of brothers turned up, and we got all the tables and chairs back to the school and council hall, and all the remaining toys into the storage bin on North Broadway. With all the help, we got the job done in under two hours. And a special thanks to Emmett Horgan. He is the owner of RockIngham Toyota and Honda. He let us use his building. He would move the used cars when we had people working at the place and went out of his way to get the heat working in time for our use. He refused to take any money for even utility costs. He also drove a large van from his company that we used to get the tables to the school gym.

May God Bless all of you for all you do to help us each year.....Alan Phair

From Brother Dick Collopy:

"SIX LITTLE STORIES"

{1}

Once all villagers decided to pray for rain.
On the day of prayer all the people gathered,
but only one boy came with an umbrella.
That's FAITH.

{2}

When you throw babies in the air,
they laugh because they know you will catch them.
That's TRUST.

{3}

Every night we go to bed
without any assurance of being alive the next morning,
but still we set the alarms to wake up.
That's HOPE.

{4}

We plan big things for tomorrow
in spite of zero knowledge of the future.
That's CONFIDENCE.

{5}

We see the world suffering,
but still we get married and have children.
That's LOVE.

{6}

On an old man's shirt was written a sentence
'I am not 80 years old;
I am sweet 16 with 64 years of experience.'
That's ATTITUDE.

Have a happy day and live your life like the six stories.

When I was a child, I thought nap time was punishment. Now it's like a mini-vacation.
