Dear Brother Al,

I have been instructed by my superiors in the order to inform you of the following policies in regards to relationship between Knights of Columbus Council 4442 (“COUNCIL”) and the Mason Spicket Lodge #85 (“LODGE”), both of which are located in Salem, NH. Whereas you have been the proponent of these changes, I am writing to you personally. Effective immediately:

1. COUNCIL shall no longer publicize in any of its printed or electronic media, specifically its website and newsletter, any future meetings or fellowship meals with LODGE.
2. COUNCIL shall not use LODGE emblem of compass and square in any future printed or electronic media.
3. Although LODGE's Salem High School scholarship program was open to any student regardless of religion, COUNCIL shall no longer contribute to that program. Additionally, COUNCIL will continue past policy by not contributing to any LODGE operating budget or general funds.

It is our hope that these changes address your concerns.

Vivat Jesus,

Paul St.Amand,
Grand Knight, Council 4442
