Who is Jay Cappello, our Outside Guard?

In his own words: Jay Cappello was born in Lawrence in 1964 to first generation immigrants from Sicily. He is the second born of his parent's three children. He attended all of his schooling in Lawrence and ended up going to high school at Greater Lawrence Vocational where he learned a few trades, met the mother of his three children and graduated in 1982.

After high school he went right into the family flooring business with his dearest friend, his father. "It's not easy working with family, but we made it work". At the very young age of 20 he got married and started having a family, by the age of 24 he was a father of 3, continuing to work and grow a successful small business. In 1997 he purchased his home in Salem to raise his children and is still living there to this day.

Jay worked hard to keep his children together after the death of their mother in 2000. With patience and a little help from his family, he raised 3 wonderful children who are all very close and successful in there on way. Two years ago he was blessed with his grandson Austin who indeed is the apple of his eye.

After the death of his father in 2013, he walked into church and has never left. He attends church faithfully with his long time partner Andrea. They now have plans to "tight the knot" in the near future. Jay and Andrea enjoy spending their weekends working around the yard as well as watching Austin. Jay recently became part of the lector team at Saint Mary & Joseph Church.

Jay joined the Knights over a year ago with the help of his friend Ray Chmieleski and is now a 3rd degree. He tries to give as much time as he can to the Knights and enjoying every minute of it.

COMMITTEE REPORTS:

Treasurer and Financial Reports

7:38PM Bob and Charlie gave their reports. We are in good shape financially this year, mainly thanks to Bingo success. Our headcount is 249. Reports were Accepted.

Admissions info - Bill Richards

7:43PM Bill Richards volunteered to take back the admissions chairman job, but he will have Bruce Silver and Jay Cappello as his assistants. *(Thank you, Bill, for continuing in the role. ed)*

We have no candidates now for advancement in the degrees. But Bill has challenged each officer to recruit just ONE new member each, before the end of the year.

Culture of Life - Dennis Goulx and Ron Bourque

7:46PM Dennis announced that the January Pro-Life Mass at St. Joseph Church will be hosted by a couple from within our parish. They will supply all the music at the mass, so our costs will be minimal. Details later.

Ron passed on to the editor the announcement for the next speaker in the Windham council's project. On Thursday, Oct 27, at 7:00PM in St. Matthew Church, Dr. Joseph Pepe, MD, the President and CEO of CMC Healthcare Systems, which includes CMC hospital, will speak on "Our callings we each have in Pro-Life issues and the role each of us has; a role that is as varied as there are jobs in the world."

Veteran's Report - Enrico Casaletto.

7:49PM We will have the Christmas Visits with the veterans at the VA Home in Manchester this December. Date is Sunday, Dec 11, 2:00PM. Please sign up with Rico. Spend an hour talking and visiting with those who served.

Bingo - Ron Bourque

7:50PM The month's numbers were announced, and Bingo continues its record year. Thanks to Lou, Paul, Ken, and Thanks be to God!

Salem Christmas Fund - Alan Phair

7:51PM Alan is again our chairman for the annual toy distribution to needy families in Salem. The location for the event will not be the same as last year. The old "Party-Rama" storefront at the Harbor Freight strip mall has been rented out. The search is on for a new venue, and there are several possible good leads. More details later.

Salem Christmas Parade - Tom Campbell

7:54PM The Knights will again march in the parade, set for Sunday afternoon, November 27. And the good news is that thanks to Chanel Simard, the Santa Maria float is just about ready to go. Sim replaced rotten wood and added benches for security. Someone, we don't know who, took the boat out on the road and made repairs for the trailer. We suspect it is Brother Joe Nassar, but we aren't sure. There is a 2017 inspection sticker on the plate!

Texas Hold-em - Larry Belair

7:57PM Larry gave an update. There is activity going on with the planning board, and a zoning variance is being researched to allow gaming in certain parts of the town. There might be an amendment to appear on the March town ballot for approval by the citizens.

Blood Drive - Ken Akerley

(after meeting report: Ken reports that the next blood drive will be on Thursday, Nov 17, with the normal details of 1:00-7:00PM, fine food and hospitality. -ed)

Knight of the Year banquet - Butch Kealey

8:00PM The Knight of the Year Banquet will be held Saturday evening, November 5th. The cost per person is \$35.00. Ticket sales have NOT been going well so far. **Please contact Butch NOW (898-4976)** to at least reserve your seats. This event honors the Knight of the Year as well as all this year's Knights of the Month.

TAPS and Charity Raffle - Mike Petrilli

8:07 PM The Annual Charity Ball was a well put-on event. The council raised \$1,641 in donations, and we had a \$500 ticket winner from our own council, Larry Belair. Congrats, Larry!

There are five Tuition Assistance awards for parochial students to be given out. Mike is going to verify with the scholarship committee the exact amounts for the checks to be written.

Baby Safe Haven Program - Dave Thompson

The Salem SC-TV17 program crew took a video for the Baby Safe Haven signs and places in our town. Look for Dave in the starring role! *(And Thank You, David, for making this happen for our town and for the babies! -ed)*

Old Business:

8:22PM One Notice of Motion was removed from the table:

- A motion for \$1000 to the KofC Supreme Flood Relief program. Passed unanimously.

There was a mix up from last month. The GK and Recording Secretary both thought that a motion for a Boy Scout camping event was tabled (killed) until further review. Others thought that the motion was a Notice of Motion and was to be tabled as usual for voting at this October meeting. After discussion, it was agreed that since the motion was not published in the newsletter as required, it would be published in this October issue and voted upon at the November meeting. (The bill was due in August, so one more month won't matter.) Therefore:

Notice of Motion by Mike Schwing should be to pay for part of the cost of the Salem Boy's and Girls clubs camping experience, and it is paid directly to the Scouts, Daniel Webster Council, BSA. The amount due is \$1,388, invoice attached.

New Business:

Trustees:

\$500 to Cub Scout Pack 4442, for their November 19 inside "camp out" at the Salem Boys and Girls Club.

From the Floor:

- \$250 for "Bosco Nutrition," a program of Edmundite Missions in Selma, Alabama. Think "Don Bosco Schools" Read more [at the web site](#). Requested by Bernie Smith.
- \$300 for Spicket Lodge Scholarship fund of the Masons (our "thank you" for hosting the fellowship meeting. Last year, they gave us a gift for our hosting.) Requested by Gk Paul St.Amand

All were passed and approved.

8:27PM A **Notice of Motion for up to \$111,400** made by Gene Bryant. See full description below.

(As GK, I asked Gene to prepare a special donations proposal, in light of the large surplus we have, due to the success of our fund raising, mainly due to great bingo numbers. I thank Gene for his thoughtful work. - Paul St. A.)

District Deputy Report - Bill Richards

8:31PM Greetings from State Deputy, Wayne Griffin.

The fall quarterly meeting is scheduled for October 16, 2016 at Delany Council 1730 at St Joseph Church; 25 Church Street; Lincoln, NH. It will begin at 1:00 pm and end at 4:00 pm. There will be a meal served at 12:00 pm at a fee of \$8.00. Meal reservations will be accepted up until October 11th. Contact will be John McGovern at adcolejdm@hotmail.com. GOOD OF THE ORDER announcements

Don Gagne announced the cub scout request for the "Scouting for Food. "If we can have some volunteers to help again this year on Saturday, November 12th, at the Central Fire Station on Main Street (probably from 10 AM - 2 PM)?"

The plan is for the Scouts to collect any donations along their route and drop them off at the Fire Station. We will need assistance unloading the donations from vehicles, and then sorting, counting and packing them. *(Note: Our Parish food pantry is a beneficiary of this food drive. Help the Scouts, Help the Parish help the poor. -ed)*

Ken Akerley gave a heartfelt "Thank you" to the council for the prayers and support shown to Peg and him during Peg's medical ordeal. "Peg is doing well; Thank you to all." -Ken

"Wee Three Kings" Sim says that the "Three Wise Men" will make another appearance at the Town Nativity scene on Nov 30.

Don Gagne visited a council near his home area (Epsom, NH). He asked, "How many members in the council?" and was told there were about 250, but over 100 are in arrears on dues! Our council is indeed fortunate that our 250 members are fully paid up! - (Thanks to the diligence of our FS, Charlie

Walsh.)

Rail Trail: Larry Belair gave an update on the Salem "Rail Trail" project. There will be a ribbon cutting on Oct 21 at 10:00AM, near the "five corners" of Rt 28 and the old Rt 111 and Lake Street. Watch for police directions in getting a place to park. Enjoy the walk, enjoy the ride! You can now walk from mid-Salem up to Manchester (or shorter distances as you wish!)

Relay for Life - Mike Banks

The participation in Salem for Relay has diminished year-to-year, and getting funds is increasing difficult. The man hours to get a dollar is not worth the effort. I submit that our participation in Relay should be limited to helping with tents and tables and our usual "off the shelf" cash donation. If someone else wants to take on Relay and resuscitate it, I welcome their effort. *(The total hours by Knights for June 1016 was 95 hours, including tables and tent. We raised \$963.29 by raffles and food sales. Hawking tickets, cooking and cleaning and food prep was a lot of work! - ed)*

Wheel chair ramp:

Repeat: The council owns a wheel chair ramp that was being used by a citizen, who has recently died. That ramp is now available to anyone who needs one. Contact Mike Petrilli. He will organize the work party to remove the ramp from its current location and install it where it is needed. We'd rather do one move than bring it all back to store behind the shed!

<p>Knight of the October to Charlie Walsh</p>  <p>Charlie Walsh – October KOM</p> <p>For volunteering at many "work" parties to move tables and tents, for volunteering the use of his garage to stage the Coats for Kids drive, and for tireless efforts dealing with the books and finances of the council, and explaining to others "where the numbers come from" and "what makes sense and what doesn't add up." Well deserved, Charlie, and THANK YOU for making my job easier!</p>	<p>Attendance Drawing The October drawing for \$20 was not won by Brian Maxwell, absent.</p> <p>Anyone can win! Attend the Nov meeting; the prize is \$30.</p> <hr/> <p>Closing Prayer and blessing was led by GK Paul. Amen!</p> <p>Meeting adjourned at 8:45 PM.</p>

Notice of Motion – detailed report

Notice of Motion – Total \$111,400
12 October 2016 Regular Meeting

Gene Bryant 603-475-9103
somville@comcast.net

ITEMS

1. SALEM BOYS AND GIRLS CLUB -- \$25,000

Contribution is to add 15-passenger van to the SBGC existing fleet, to replace large part of contracted (First Student) movement of children for satellite programs and field trips. Share \$50,000 cost with Pentucket Bank (\$25K each). Vehicle to be graphic wrapped with prominent sponsor logo presentation.

2. SAINT JOSEPH REGIONAL CATHOLIC SCHOOL CAPITAL CAMPAIGN -- \$25,000

Contribution to \$300,000 campaign to renovate gym/auditorium/kitchen facility and upgrade/correct safety/security issues and systems. I hope to make successful challenge to membership to match the Council grant with a similar total of individual commitments. This grant would replace the current \$5000 per year commitment we made through 2020, and would be the last significant donation to the school.

3. SAINT ANNE'S CHURCH BERLIN NH CAPITAL CAMPAIGN -- \$25,000

Kickoff grant to begin extensive renovation of one of the most important churches in New Hampshire, and dedicated to restoration of the sanctuary. The money required to address all the issues needing attention in the 100+ year old church is beyond the economic capacities of the congregation in this hard-pressed rural area.

4. REPLACE OF LOST ULTRASOUND BATON ROUGE LA PREGNANCY CARE CENTER -- \$13,000

The pregnancy care center that would receive this grant has been doing great work over the past few years, and that service is now at great risk after the devastating floods this past summer. Their facility was destroyed and they are now operating out of an RV to service their 200 clients per month. Lost with their facility were two ultrasound machines donated by the Louisiana KofC. The need is so great in this area that the KofC there is not able to replace those machines. This is an "up to" number.

5. PREGANCY CARE CENTER HAVERHILL -- LOWELL MA EXPANSION -- \$5000

We have supported this organization for several years, and they are working to open a new facility near UMASS campus in Lowell, supported by several Lowell parishes. This grant would facilitate the site search, permitting and licensing of the new facility.

6. VETERANS GROUPS:

- Liberty House Manchester NH -- \$1500
- Veterans Count (Easter Seals) – Manchester NH -- \$2500
- Salem Veterans Association – Town Gazebo sound system project -- \$1000

7. AUTISM SUPPORT

- Autism Speaks NH – \$2000
- 1. Birchtree School NH – \$2000
- 2. Higashi School MA – \$1000

8. CENTER FOR LIFE MANAGEMENT -- \$2900

Upgrade reception areas of children and adult service departments to improve security with window systems similar to school entrance areas.

9. BEST BUDDIES NH -- \$1000

Organization does mentoring and job placement/training for intellectually disabled community.

10. OPERATION SMILE -- \$1000

Organization provides reconstructive and cosmetic surgeries for children around the world born with, or suffering from, facial deformities like cleft palates or from injuries.

11. CYSTIC FIBROSIS PROGRAM/DARTMOUTH-HITCHCOCK MEDICAL CENTER – \$3500

This is the only cystic fibrosis treatment center in New Hampshire, and the donation is for support services to children and families, in the "Child Life Services" program. The "Karen's Climb" fund provides examples that include travel expenses when patients have to travel out of state for treatment and second opinions for rare complications.

GK remarks: At the October meeting, there was much discussion on the motion. I heard repeated talk on two aspects. A: Can we afford to give the total amount requested? B: Are these the right charities to receive this money? The Notice of Motion that will be debated at the November meeting..Contact Gene in advance of the meeting for more details / answers.

Bob Fournier, our Treasurer, will be away at the voting meeting but wanted to write a "Letter to the Editor" on this motion: At the November meeting you are going to be voting on a major donation package. Unfortunately I will not be there to voice my concerns, so I have asked the Grand Knight to represent my concerns and have prepared these comments for the newsletter. Gene Bryant has put together a list of worthy charities for us to consider when making a special donation. I do think all of the charities listed present good causes to support. However, I do have three major concerns that need to be addressed for me to support this proposal.

The first is the level of donations. The suggested donation package adds an additional \$111,000 above \$109,000 we are already scheduled to donate in 2016. That would bring our total donations in 2016 to \$220,000. That is \$55,000 more than our record donation of \$165,408 in 2015. This donation level requires us to take \$41,000 to \$50,000 from our Donation account leaving very little for extra donations in 2017 when we are losing poker revenue.

Here is what I think is a better approach to our giving. As of mid October the council has \$109,699 in the checkbook. We require about \$40,000 to cover monthly expenses. That leaves us approximately \$70,000 that can be used for this years extra donations making our total donations \$179,000 in 2016, which would be another record year. This approach also leaves \$58,000 in our Donation Account for next year when we will not have poker revenue. I strongly suggest that we limit the extra donations to approximately \$70,000.

Fortunately our previous leaders and I as K of C Treasurer for well over 25 years, tried to save a portion of our bingo revenue to ensure growth in our future contributions. As of 2007 the council had accumulated just over \$300,000 in our investment fund. In 2007 when the council ran into financial hard times we stopped saving money. Every year since then we spent/donated all the revenue that we earned in the year. Our annual donations have grown from \$56,000 in 2011 to over \$165,000 last year.

On it's own, with no additions from the council for 9 years, the investment account has grown to \$468,00. This security blanket has enabled to maximize our donations by not having to put current earnings into savings. Some members think this is too much money. However we are now spending/donating over \$300,000 per year. That is a year and a half in reserves. God forbid, if there was a fire in the bingo hall and we lost six months of revenue, would we want less in reserves? When times get tough we can, without jeopardizing our financial security, donate the \$10-20K annual growth but it does not make sense to do that in the good years when we are already giving away record amounts.

The second concern I have has to do with Isaiah 58. Last year we we gave them \$25,000. This year I was expecting we were going give them \$5,000 to \$10,000 to show our continued support for housing the poor in our community. We sent nearly two full tables of Knights to there annual fund raising dinner. I thought we would be making a check presentation. We gave nothing then, and this proposal has no money allocated in this to make a donation in 2016. How could Isaiah 58 be so great last year and not worthy of any support this year? I suggest a donation of \$5000 this year.

My third concern has to do with our scholarships. When the council was having hard times I suggested that we cut the Scholarship fund. The council financial situation has recovered in spades. Yet we still only provide \$500 scholarship to our Knights' children when tuition easily range from \$20,000 to \$60,000 per year. Five hundred dollars does not even pay for their books. I know the argument is that our scholarships are not income based, but we all know, most knight families are struggling to pay for tuition. Charity should begin at home. We ought to be taking care of our kids. Let's keep the extra donations this year to \$70,000 so next year we can increase our scholarship to \$1000 each.

Charlie Walsh submits, at my request, an analysis of our current financial status as well as projections for the next two months, based on last year's performance in November and December., our already budgeted donations and our donations "off the floor" for the remainder of the year.

	<u>SCHWAB ACCOUNT</u>	<u>DONATION ACCOUNT</u>	<u>CHECKING ACCOUNT</u>	<u>DONATION PLUS CHECKING ACCOUNTS</u>
DEC,2011	\$356,686	\$12,266	\$17,920	\$30,186
OCT,2016	\$462,205	\$58,393	\$109,780	\$168,173

NOVEMBER AND DECEMBER ESTIMATED ACTIVITY ON CASH ACCOUNTS

EST DEC 2016		\$58,393	\$112,895	\$171,288
--------------	--	----------	-----------	-----------

NOTICE OF MOTION		\$38,393	\$73,000	\$111,393
<u>BALANCE</u>		<u>\$20,000</u>	<u>\$39,895</u>	<u>\$59,895</u>

(I screwed up in first edition... corrected numbers)

This shows that after adding anticipated income and SUBTRACTING expected expenses for the next two months, if we approve the motion for the full amount of \$111,400, taking \$73,000 from checking and \$38,393 from the donations account, we would finish the year with \$20,000 in the donations account and \$39,890 in the checking account. When you compare this with the totals in the Dec 2011 line, we are much ahead of the game. And this doesn't include the \$110,000 increase in the value of the Schwab account. *(I have removed lines from Charlie's spread sheet that shows lots of details for clarity. - ed) (The amounts taken from Donation and Checking could be adjusted and still get the \$111,400 total.)*

Gene Bryant reports on Isiah 58 project: in answer to Bob's question.

In separate meetings with David Yasenka, I was joined by Don Simmons and Larry Belair, to learn about their current status and future plans. They have not, exactly, done all I hoped would come from the \$25,000 we gave them last year, and their future plans are for projects that we should not be supporting, at least at this time. However, their mission is worthy and valuable, and my plan was to support their day-to-day operations with a \$5000 recommended donation from our 2017 and future budgets, until such time as we find the right project to participate in. I believe Larry Belair concurs in this strategy.

In the past months... and in future months...

Knights - Masons Fellowship Dinner - Bill Richards

The "annual" fellowship dinner will be Thursday, November 3, 2016, at the Mason hall on Main St, Salem. The dinner is on them this year. The visiting organization usually makes a donation to the home organization's charity. We will have time at the next two meetings to cover all the details. *(While Knights cannot be Masons, that doesn't mean we can't sit down to a meal together. If you could time travel, would you share a meal with Masons George Washington, Ben Franklin, W.C. Fields? Check out this web [site for a list of famous Masons.](#) - ed) Contact Dave Thompson to reserve a place at the table for you.*

Coats for Kids

“Woodmeadow Coat Works”

A skeleton crew of Charlie and Bonnie Walsh, Bill Richards, and Paul St. Amand sorted, labeled, and boxed up 32 cases (384) winter coats in the “Coats for Kids” program. Coats have already been delivered to Ruth’s House in Haverhill, Catholic Charities in NH, and to the Fisk, Lancaster, and Soule schools in Salem. The remaining 12 cases will be handed out the Salem Toy Distribution in December.
